Mr. Sol Chain
157 Church St.
New Haven, Conn.

Dear Mr. Chain:

I want to thank you very much for allowing us to use your remote for our Battell series. I understand perfectly your position about lending out remote equipment and feel that if confidence is lacking you are perfectly justified.

I hope, Mr. Chain, that in the future you will call upon us at WYBC if we may ever be of service to you, and if you will just bill us for the four nights' use, I shall see that it is paid promptly.

Sincerely yours,

Karl Honeystein
Program Director

P.S. I want to thank you, too, for feeding us Churchill's speech this afternoon; we really appreciated it.
